About EES Corp Co., Ltd

As one of the most popular manufacturers of EFT-POS in Korea, EES Corp Co., Ltd. were established in 2007 in the name of Enterprise Electronic Service for providing payment terminal. EES Corp Co., Ltd has kept developing and introducing new products to the market gaining good reputations from customers in the world.

As a worldwide leader of EFT-POS systems, EES Corp Co., Ltd operates from manufacturing and development as your partner.

Now, we have provided basically 1year warranty for all of our products based on long term accumulated QC and RMA system. (The warranty period can be also extended more by a separate agreement.)

EES Corp Co., Ltd started the IOT(Internet Of Things) business as a new additional growth engine for but only Korea market, but also World-Wide market.

We promise that we will provide the most advanced and Innovated EFT-POS and IOT products as your best partner.

Supporting all your requirements for your projects

Now various OEM or technical customization services are given to long term partners. We are trying to reflect all customer requirements from the embedded board modification level up to slight housing design change.

ONECLICK 3700

SPECIFICATION

Processor & Operating System	
Microprocessor	Cortex-ARM 32Bit RISC CPU
Operation system	RTOS
Memory	
Flash Memory	8MByte Nor-Flash
RAM	512KByte SRAM
Display	
	50mm X 31.5mm FSTN LCD (128 X 64 Pixel)
	LCD Back Light
Touch Panel	
	Touch Screen 4wire glare Type
Magnetic Card Reader	
	Magnetic stripe ISO7811,Track II High Coercivity,Bi-Directional.
Printer	
	Thermal graphical printer, Max 384 Dot/Line 58mm wide paper
Smart Card	
	EMV LEVEL 1,2, ISO7816,T=0,T=1,EMV LEVEL 1
Peripheral Port	
	One RS232 port
SAM	
	ISO7816,T=0,T=1 SAM Socket: Max 4
Key	
	11 Numeric keypad,10 soft function keys
Wireless Modem	
	Built in GSM/GPRS
	Support CDMA,3G & LTE as an optional
Dimensions and Weight	
	76mm(W) X190 mm(L) X 47mm(H),320g (including Battery)
Battery	
	Li-ion 7.2V,43.2(W) X 81.5(L) X23 (H)
Charger	
	Input : 100V~240VAC at 50/60HZ Free Voltage
	Output : 7.2VDC Max 1200mA/h
Environmental	
	Operating Temperature : -10°~ 45°,
	Storage Temperature :-20°~60°
	Humidity : 5% to 95% non-condensing
